# Ecofab Energy Refit Services

We take care of it all — from duct sealing to solar installations.

Conservation refits  
Energy audits  
Efficiency measures  
Weatherization  
Renewable energy systems

## Refit Benefits

**Day-of-audit refits** available:  
CFL bulbs, water-saver fixtures.

**Lower energy costs** up to \$1,200 annually  
(typical single family home).

**No-stress energy rebates** — up to \$2,800!  
Plus — tax incentives for renewables.  
We do the paperwork for you.

Get energy-fit and **save up to 2 tons  
of carbon** emissions per year.

**Start with small refits** and finish big — later.  
We customize the energy-fit plan to your  
home and budget.\*

*\*Green-friendly finance options available.*

**Expect the best from Ecofab**  
Certified Building Performance Specialists  
Licensed General Contractor
